

"Glistening"

Glistening

This incredibly artistic winter-themed collection was inspired by the "sugar plum lady" featured on the "Sparkle" paper. Her beauty was intriguing...chilly, yet warm and inviting at the same time. Four of the six papers within this line feature a side design for amazing borders. The colors can be used year round and we always offer a versatile alternative on the backs of our themed papers... just in case you are lucky enough to live in a place where Old Man Winter cannot find you!
